FOR UK AND EU REGION

***REPRODUCTION PARTS FOR YOUR
ORIGINAL DORMOBILE BEDFORD CA AND CF
CONVERSIONS***

DORMOBILE LIFTING ROOF PARTS **BEDFORD CA & CF**

Roof vent cover (colour of colour is translucent white)

Made from the original pattern our vent covers are manufactured in almost unbreakable polycarbonate. They are UV stable and will not become brittle. Drilling this material is easy as it is soft and will not crack .

CA **£59.46**

CF **£34.20**

Roof vent rubber seal

Supplied with a white felt insert to keep out draughts. When fitting, use contact adhesive in corners.

CA **£24.50**

CF **£13.99**

Roof vent opening mechanism

Very close in design to the original fitting, these mechanisms are made from non-rusting aluminium, brass and stainless steel. They have a single adjusting wheel and will fit as a direct replacement.

£33.60

Roof vent hinges

A slightly different hinge from that factory item, heavy solid stainless steel marine quality. **Sold as a pair.**

£11.00

Roof glass seal

Sold per window, this is a two-part seal incorporating a hard PVC infill section. The rubber used for this seal is very soft enabling the seal to fit the tight corners of the window aperture.

£19.99

Roof glass seal glazing tool

Small hand tool enables fitting of insert into main section of the window seal

£11.99

Roof cap edge trim

This tough black edge trim (3 sides only) prevents your roof cap from cutting a hole in the vehicle steel roof panel. Available in two forms:-

Standard U shaped trim

£21.18

Trim as above with round soft rubber edge added

£24.50

Rubber roof cap securing straps

These items have been fitted by owners for many years, sold as a pair **£9.50**

Complete roof cap lifting arm assembly

Supplied with two new spiral assistor springs these assemblies are manufactured in stainless steel and have spring button locking. Top bracket and mounting bolts are included.

£145.00

Lift arm spring pin

These spring pins or buttons can be used to replace the rocking Strut catch normally fitted

£1.95

Spiral springs for lifting arm

New blued spiral springs to replace tired items in your roof lifting arms. Two per lifting arm required. Sold as a pair

£32.70

Extreme care is needed when replacing these springs. Our advice would be to get an experienced fitter to replace these items.

Roof up warning switch

When the roof is fully closed the amber light on your dash should be out. This switch is activated by the original lift arms closing the switch plunger.

OOS

Centre roof lifting handle

The original mild steel item rusts under the plastic coating. This replacement is made in stainless steel.

£85.00

Roof cap hinges

Supplied as a set of three these plain stainless steel hinges can be drilled to match the hole pattern of both the vehicle roof and the roof cap. Will fit both all models, may need gentle bending to match the roof profile

£30.00

Roof cap centre mirror

Matches original hole mountings and supplied with new screws and chrome caps

£21.50

Replacement roof canopies

If you need you need to replace your canopy, we can supply a new Candy Stripe canopy matching the original green or red thin stripes. Our canopy material is fire retardant, slightly thicker and has a tighter weave from the coated fabric, making it more resilient. Canopies are also available in the plain colours shown below. The material is the same quality as the Candy Stripe canopies.

Velcro straps for attachment to roof hoops and fitting advice supplied.

Candy Stripe red or green	£375.00
Plain colours (White, Royal Blue, Bright Yellow and Silver Grey)	£289.00
