

**VOLKSWAGEN**  
**DORMOBILE PARTS LIST**  
**January 2012**

**FOR THE UK & EU REGION**

***REPRODUCTION PARTS FOR YOUR  
ORIGINAL DORMOBILE SPLIT SCREEN  
AND BAY WINDOW CONVERSION***

## **DORMOBILE LIFTING ROOF PARTS** **UK & EU REGION**

### **Replacement Dormobile roof cap**

Available for Split Screen and Bay window models our new moulds are produced with alloy insert plates and strengthening. Cut outs can be made for original rubber seal fixed glass windows or for our opening sun hatch alternatives. The inside of the roof caps are flow coated white to provide a good looking finish when raised

**£418.00**

### **Roof vent covers (Colour of cover – opaque white)**

Made from the original pattern, our vent covers are manufactured in almost unbreakable white polycarbonate. They are UV stable and will not easily yellow and become brittle. Drilling this material is easy as it is soft and will not crack.

**£34.20**

### **Roof vent rubber seal**

Manufactured from white silicon rubber, these are reproductions of the originals supplied with a white felt insert to keep out draughts. When fitting use contact adhesive in corners.

**£13.99**

### **Roof vent opening mechanism**

Very close in design to the original fitting, these mechanisms are made from non-rusting aluminium stainless steel & brass. Will fit as direct replacement.

**£33.60**

### **Roof vent hinges**

Sold as a pair, these solid polished stainless steel hinges are a replacement for the original plain brass butt type hinges.

**£11.00**

### **Roof glass seal**

Sold per window, this is a two part seal incorporating a hard PVC infill section. The rubber used for this seal is very soft enabling the seal to fit the tight corners of the window aperture.

**£19.99**

### **Roof glass seal glazing tool**

Small, wooden handled tool enables fitting of insert into main section of the window seal.

**£11.99**

### **Roof cap edge trim**

This tough black edge trim prevents your roof cap from cutting a hole in the vehicle steel roof panel.

Available in two forms:-

Standard U-shaped trim

**£21.15**

Trim with round soft rubber extrusion added

**£24.50**

### **Rubber roof securing straps**

These items have been fitted by owners for many years, sold as a pair

**£9.50**

### **Complete roof cap lifting arm assembly**

Supplied with two new spiral assistor springs these assemblies are manufactured in stainless steel and have spring button locking. Top bracket and mounting bolts are included.

**£145.00**

**Lift arm spring pin**

These spring pins or buttons can be used to replace the rocking strut catch normally fitted.

**£1.95**

**Spiral springs for lifting arm**

New spiral springs to replace tired items in your roof lifting arms. Two per lifting arm required. **Sold as a pair**

**£32.70**

***Extreme care is needed when replacing these springs. Our advice would be to get an experienced fitter to replace these items.***

**'Roof up' warning switch**

When the roof is fully closed, the amber light on your dash should be out. This switch is activated by the original lift arms closing the switch plunger.

**OOS**

**Centre roof lifting handle**

The original mild steel item rusts under the plastic coating. This replacement made in stainless steel, supplied with stainless fixings.

**£85.00**

### **Roof cap hinges**

Supplied as a set of three, these plain stainless steel hinges can be drilled to match the hole pattern of both the vehicle roof and the roof cap. Will fit both Split and Bay models however, will need gentle bending to match the roof curve of either model.

**£30.00**

### **Roof cap centre mirror**

Matches original hole mountings and supplied with new screws and chrome caps

**£21.50**

### Replacement roof canopies

If you need you need to replace your canopy, we can supply a new Candy Stripe canopy matching the original green or red thin stripes. Our canopy material is fire retardant, slightly thicker and has a tighter weave to the coated fabric, making it more resilient than that fitted originally. Canopies are also available in the plain colours shown below and made of the same material as the Candy Stripe version. Velcro straps for attachment to roof hoops and fitting advice supplied.

Candy Stripe Red or Green **£375.00**

Plain colours (White, Royal Blue, Silver Grey, Yellow) **£289.00**

### Canopy repair kit

Possibly saving the need to replace the canopy, our repair kit contains 10 small patches of good condition original canopy material together with a tube of the same PVC cement we use to make our new canopies.

Available in Red or Green Candy Stripe **£15.50**

### Roof bunk covers

UV stable, mildew resistant and non-stretch, these covers are available in a wide range of colours, all by special order. Sold as a pair, these covers are tapered to match the bunks.

**£110.00**

### Roof Bunk Set

Reproduction of the originals with a choice of bunk cover colour  
(Pair) Mid Steel

**£475.00**

### **Stainless steel roof hoop set**

Made from 10mm Stainless Steel tube and supplied with stainless steel mounting brackets and stainless fixings. These hoops will not leave rust marks inside your new canopy.

**£425.00**

***Please be aware that due to the awkward shape of these hoops they will be shipped in sturdy wooden packaging and a higher carriage charge will occur. Please check cost when ordering.***

### **Roof cap cleaner restorer**

Removes heavy oxidation and chalking from the fibreglass roof cap. This rubbing compound also combines a protective wax to preserve the finish in the same application

3M Restorer & Wax. 1 litre pack

**£21.23**

## OTHER PARTS FOR YOUR DORMOBILE
